R2

At R2 we like to think we know a thing or two about bathrooms - we've been designing them for over 40 years.

We're a family owned bathroom business based appropriately enough in Bath. We have an in-house team of experienced product designers and an excellent reputation for customer service.

We know value is important to you but that shouldn't be at the expense of good design. That's why our furniture features fully coordinated pieces, made from quality materials, with soft close doors and drawers. Our taps are of the highest quality brass and are beautifully chrome plated. Our illuminated mirrors are IP44 rated for safe bathroom use.

So whether you're looking for a contemporary wall mounted bathroom or a fully integrated solution, look no further than R2.

platform features

Basin units

A versatile collection of bathroom furniture in two sizes and two styles, with soft close drawers and doors. Practicality is at the heart of this design, with plenty of accessible storage space. A great example of modernist simplicity.

Finishes

The simple lines of the Platform unit are complemented by a palette of on-trend painted finishes. Keep things light with gloss white or light grey, go for the sophisticated subtle green hues of willow, or add a dramatic note with rich midnight grey.

Basins

Platform's ceramic basin echoes the uncomplicated design of the units and provides a generous wash space. Finished with a single tap hole and integrated overflow.

Handles

Elevate this pared-back basin unit with your choice of two handle styles, both available in matt black or chrome. A recessed option maintains the minimal aesthetic, while the pull handle design is very tactile and easy to use.

In-drawer Storage options

Useful additional storage sets, including trays, open boxes and boxes with lids, allow you to make the most of your drawer space. Each element is crafted from solid wood.

halcyon features

Basin units

Those seeking a classic style for their bathroom need look no further. Halcyon freestanding basin units are the perfect option with a choice of 500 or 600mm widths, as well as a 400mm cloakroom unit or a compact 1000mm furniture run with integrated WC unit.

Finishes

Available in natural white, stone grey or midnight grey, these muted tones complement the elegant shaker design and have timeless appeal.

Basins

Halcyon's ceramic basin perfectly complements the classic styling of the units, and are available with one or two tap holes. The Halcyon 1000mm unit comes with a single tap hole isocast basin

Handles

Halcyon is supplied with classic furniture knobs. To customise your look further any of the R2 handles can be purchased separately, for example the Stamford pull handle shown above.

Coordinating items

Add the perfect finishing touch with a Halcyon mirror or bathroom cabinet. There is also a matching WC unit available for use with a back to wall WC.

Basin units

Contour's flat fronted doors are framed by curve-edged sides and its easy style will fit in anywhere. Offering wall mounted or freestanding wash units, Contour comes in a multitude of sizes and formats to suit any bathroom plan. All units have a choice of chrome or matt black handles.

Contemporary basin

Contour's ceramic basin is a simple rectangular shape with curved edges and generous wash area. It is finished with a single tap hole and integrated overflow. The Contour 1000mm unit comes with a single tap hole isocast basin

Handles

Contour units are supplied with curved chrome handles as standard, however if desired you can upgrade to a super stylish alternative design handle in chrome or matt black.

Coordinating storage and WC units

Additional storage is available with the 350mm wall column, which combines 2 storage areas and a single shelf. There is also a coordinating single or double door mirrored cabinet. For a fully integrated look opt for the matching back to wall WC units.

type furniture

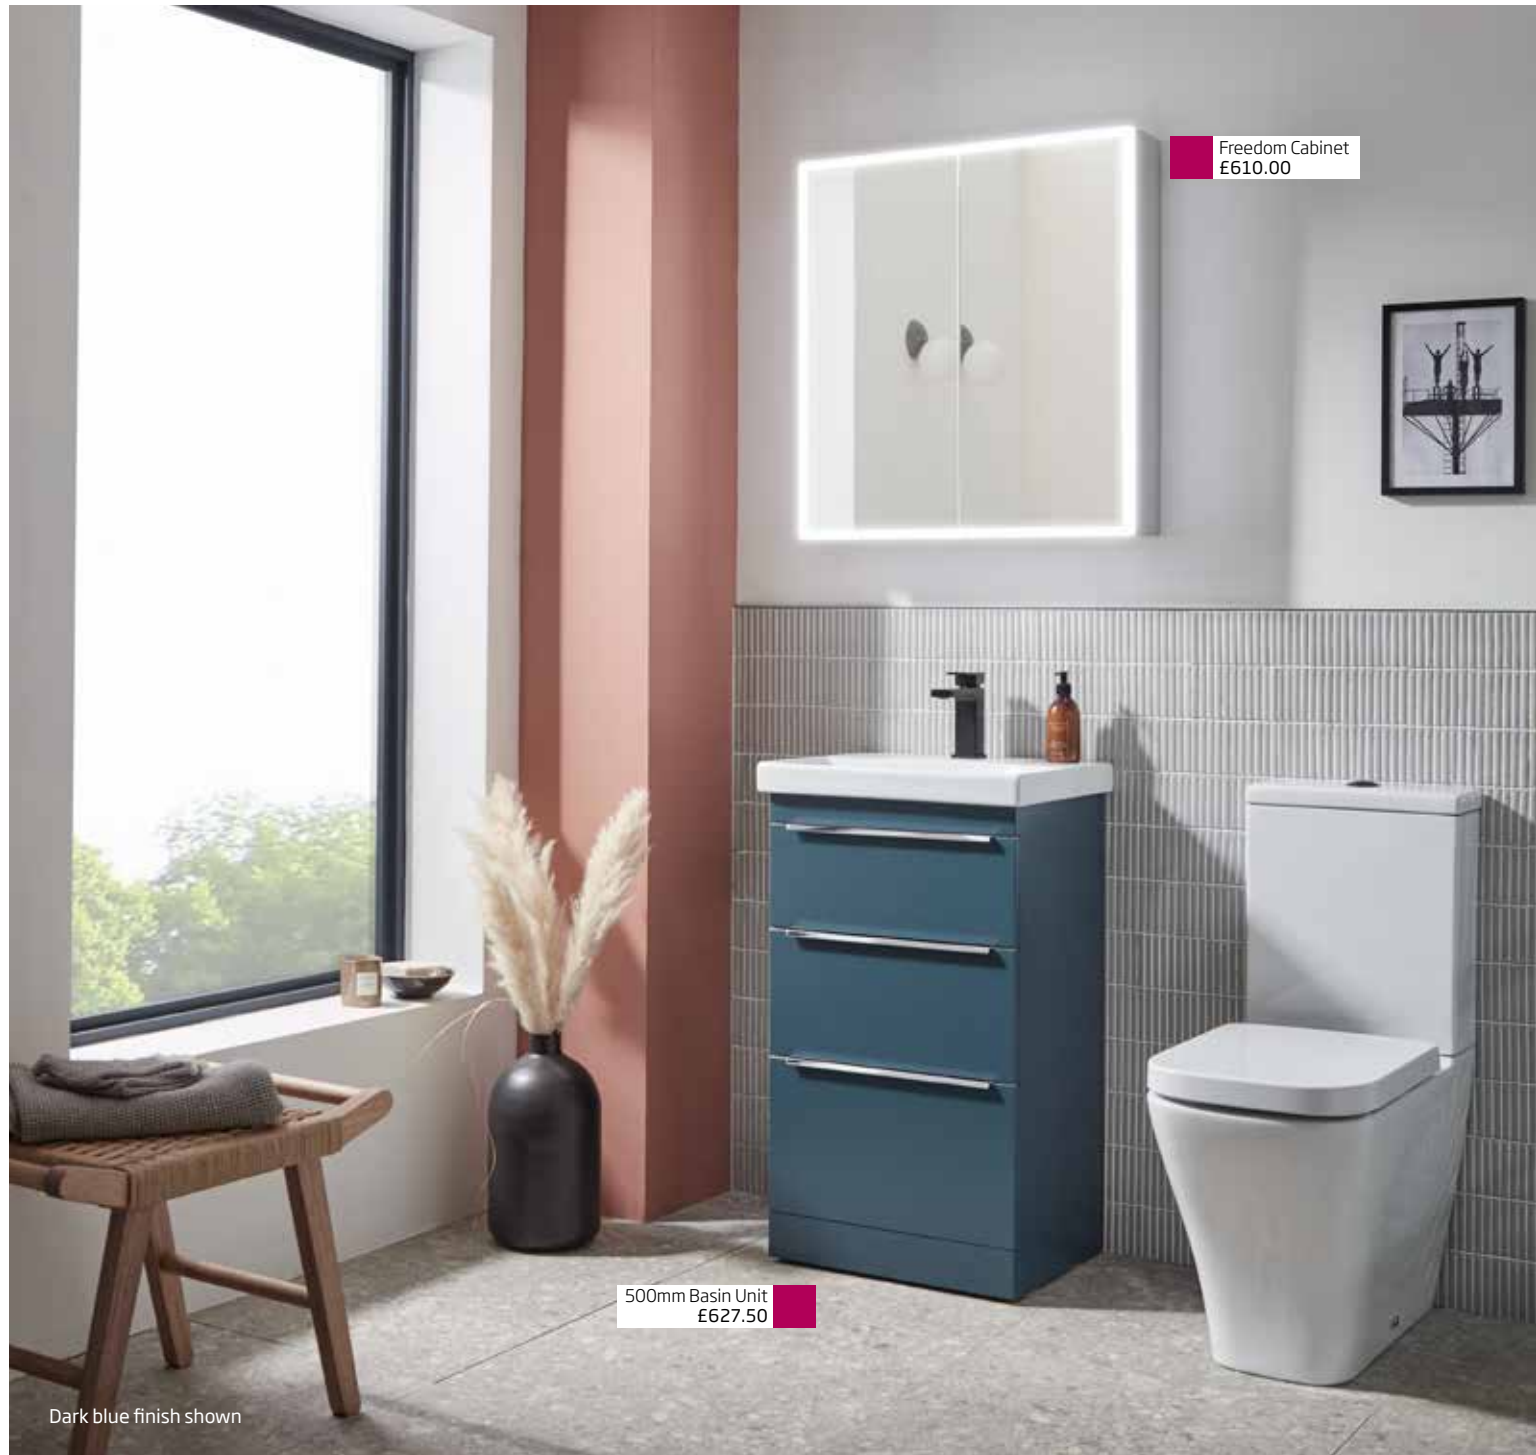

Well-proportioned and with simple lines, Type is the very epitome of modern bathroom design. There is so much choice within the range, both in basin unit style and finish. Choose from gloss white, light grey, stone grey, dark blue or a contemporary dark grey basalt wood finish.

type finishes

Pair the Type furniture range with our sleek Serenity WCs.
See pages 128-133 for further details.

type furniture

type features

Basin units

The versatility of the type range is paramount, with a choice of 5 styles in 500mm or 600mm widths to suit your needs and bathroom space. Offering either wall mounted or freestanding wash units, including a useful 3 drawer option, there is also a coordinating storage wall column and back to wall WC unit.

Finishes

Type is available in 5 finishes. Ever popular white plus 4 on-trend colours, including a dark grey basalt wood finish. There is a coordinating framed mirror to go with the painted finishes.

Contemporary basin

The type single tap hole ceramic basin has generous wash space. There is plenty of room at the back for all your toiletries.

Handle

The minimalist chrome drawer or door top handles complement the furniture range perfectly, giving type a sleek and understated look.

Basin unit

Slim and sophisticated, our alto cloakroom unit has a clean, modern aesthetic versatile enough to suit the smallest room in any home. As the soft-close door and basin are both reversible, this compact basin unit will easily fit in where it is needed.

Contemporary basin

A compact yet generous ceramic basin cleverly maximises available hand wash area. Furthermore, being reversible, it can be installed to have the basin mixer to the right or the left to suit.

handle options

Alto units are supplied with chrome handles as standard or you can switch up the style by choosing the matt black handle option. Available to purchase separately.

drive features

Basin units

At only 400mm wide the drive freestanding or wall mounted basin units are perfect for cloakrooms. Doors feature soft close hinges for a luxuriously quiet, controlled movement and are hinged from the left hand side.

Contemporary basin

The drive basin is made from Isocast, a tough, resilient gel-coated resin which is extremely durable and easy to clean. The simple slab shape suits the units perfectly, and incorporates a single tap hole offset to the side.

Coordinating storage and WC unit

Additional storage is offered with a 400mm mirrored wall cabinet, available in coordinating finishes. Go for a fully integrated look by using one of our matching back to wall WC units.

fitted furniture

How to order your fitted furniture

R2 fitted furniture will create a unified look in your bathroom as well as maximise the available space to give you lots of storage. Fresh contemporary finishes and a choice of worktop and basin options offer the flexibility to create the perfect solution to suit your style. It's very straightforward to design and plan your new bathroom - simply follow our step by step guide and use the following few pages for inspiration.

1 Door style & finish
Choose your door style and finish-either the slab door of muse or the Shaker style of stow's door. Then choose your desired door finish to front your standard depth or space-saving slim depth units.

2 Handle options
Choose your handle style from the 9 available options.

3 Worktop options
Select a worktop from either our Strata solid surface or laminate options. Alternatively, for a sleek contemporary look, opt for our Isocast worktops with integrated basin, available to fit both standard and slim depth units.

4 Sanitaryware options
Choose your R2 sanitaryware. See pages 122-157 for options.

5 Plinths & panels
Select a plinth to fit your furniture run and any panels you may need. Filler panels can be cut down and used with a worktop to fill a void in a wall-to-wall installation.

6 Mirrors & cabinets
Choose your preferred mirror or cabinet, see pages 214-241. Also add any useful wall cabinets.

7 Lighting option
Select a stylish lighting option. See pages 102-103.

8 Bath panels
Select a coordinating bath panel.

9 Tap options
Complete your bathroom with the addition of an R2 basin mixer. See pages 170-176.

stow fitted furniture

stow fitted furniture

Bring a touch of classic design to your bathroom with our Stow furniture range. Available in either stone grey natural white or midnight grey, these muted tones complement the elegant shaker design and deliver timeless styling.

stow features

Unit sizes

With colour matched interior carcasses, choose between standard or slim depth and either 500, 600 or 700mm basin units depending on the size of your room. Then, why not opt for coordinating wall and floor cupboards. Our back to wall WC units also come in two widths, 500mm and 600mm

Soft close

Doors feature soft close hinges for a luxuriously quiet and controlled movement.

Worktops, basins and sanitaryware

To complement your bathroom style, take your pick from our excellent range of laminate or solid surface worktops on page 96-97. Then pair this with your choice of semi-countertop basin. Our full range of sanitaryware, including coordinating back to wall WCs, can be found on pages 122-157.

Alternatively, why not create a seamlessly contemporary look by choosing one of our sleek Isocast basins with integrated worktop. See pages 94-101 for more information.

Handle options

A choice of nine handles will add the finishing touch to your stow furniture. Go to pages 101 and 117 for handle options.

isocast basin features

For a seamless, sleek look, why not finish your fitted furniture with one of our Isocast basins with integrated worktop.

These contemporary basins are extremely durable and practical, with a tough, easy-clean, glossy finish. They look great with both Muse and Stow door styles and there are 3 lengths available to work with popular furniture combinations, in standard or slim depth. Of particular note is a very useful 1000mm width, perfect for use with 500mm semi-countertop basin and back to wall WC units to create a compact run for smaller rooms.

your choice...

For more classic styling opt for a semi-countertop basin and pair with one of our stylish strata or laminate worktops, see page 96 for further details.

strata solid surface worktops

Strata worktops are an ideal solution for those wishing for the aspirational look and feel of solid surface worktops, at a price to make it reality. Made from a solid 25mm sheet, the natural stone-like beauty of strata solid surface tops combined with a square edged profile makes them a perfect choice for your bathroom.

Being solid, strata can be cut to whatever size or shape your bathroom demands using standard woodworking tools, with no need to bond on finishing strips. Simply cut to the desired profile and sand down the end to a fine finish.

laminate worktops

High quality and very durable, the R2 range of laminate worktops has been specifically chosen to complement stow & muse furniture units.

clad on panels

Clad on panels are available to allow you to create a framed look with Stow or Muse furniture. Alternatively cut to fit small voids and run a worktop over for a seamless wall to wall look.

worktops and handles

Our strata solid surface and laminate worktops are designed to be used with our semi-countertop basins. Make your choice from our sanitaryware ranges from page 118.

stylish solutions

Explore our diverse range of sanitaryware, designed to perfectly balance style and innovation with practicality and value. Discover our wide selection of basins, including semi counter-top or slim depth designs to seamlessly fit into your space. And when it comes to WCs, you don't have to compromise. Take classic and elegant Langford, or opt for modern and sleek Serenity, fitted with your choice of either standard or slim soft-close seats.

Choose comfort with our collection of taller WC units, designed with you in mind. Available in our Debut, Mini or Minerva ranges, our comfort height WCs provide peace of mind for taller, elderly or less able users.

WC options

Choose from close-coupled units, great for more traditional style spaces, or our clean back to wall options, perfect to pair with our Stow or Muse fitted furniture.

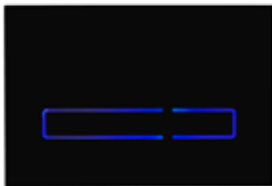

Secure-Fix QR

Adjustable hinge technology that keeps the seat firmly in place. Whilst also making installation simple and easy with the aid of a fitting template.

langford features

Basins

Langford semi-countertop basins offer a classic styling choice for your fitted furniture, available with one or two tap holes to suit your preference of basin mixer or pair of taps. Both basins have options to work with standard or slim depth furniture. Furthermore, the basins will fit within 500mm wide furniture units, meaning that you can build a compact furniture run if space is short.

Short projection, rimless WCs

All Langford WC options have a space-saving, short projection design. The timeless styling will work well with both classic or more contemporary bathrooms, with standard or fully enclosed close coupled WCs available, or a back to wall option for fitted furniture. Easi-Clean rimless technology makes them exceptionally hygienic and easy to clean internally.

WC seat

The Langford thermoset WC seat has soft close hinges with quick release lift off for ease of cleaning.

Elegantly timeless design means Langford sanitaryware can work equally well with both classic or more contemporary bathroom plans, with options to go with fitted furniture too.

serenity features

Basin

This semi-countertop basin offers generous wash space within a contemporary design and features a single tap hole. There is an option to suit both standard and slim depth fitted furniture (shown right)

Rimless WC options

Choose a great looking standard close coupled pan, or fully enclosed back to wall design which gives a sleek appearance, making it as nice to look at as it is easy to clean. Or opt for the back to wall WC should you wish to conceal the cistern. The Easi-Clean rimless design makes it exceptionally hygienic and easy to clean internally as well.

Quick release, soft close WC seats

The slim thermoset toilet seat gives a discreet contemporary finish to the WC, or opt for a wrap over style seat as an alternative. Both styles benefit from soft close hinges and quick release lift off for easy cleaning.

debut sanitaryware

debut features

Versatile

Choose from a wide choice of great looking WC options to complement your Debut basin and pedestal or furniture. In addition to the standard close coupled pan and back to wall pan, there is a fully enclosed close coupled WC for a sleek and contemporary look.

Comfort height WCs

The comfort height close coupled or back to wall comfort WCs sit several centimetres taller than standard WCs, ideal for taller, less able or elderly users. The extra height of the pan helps keep knees at a more comfortable angle in use as well.

Soft close WC seats

The soft close WC seats incorporate top fix, quick release hinges allowing quick and easy installation. A contemporary slim version is also available.

Strong lines and bold styling characterise our debut sanitaryware. This smart range combines the great looks, practicality and comfort height options, which have become an integral part of R2.

showers

smart, simple showering

In developing our showering collection we have created a range of beautiful systems which complement the flow of water, control it with precision and channel its power. Systems which bring performance and beauty together perfectly, combining style and engineering.

Choose from our array of concealed, exposed or bar valve shower systems. We have simple single function systems or dual function systems, which control 2 water outlets.

save water

in the bathroom

Our optional regulators are an easy, cost effective way to help save water in the bathroom. Simple to install, the regulators can be used with selected R2 showers to reduce your water consumption and so help save money too.

quality & service

As one of the UK's largest suppliers of bathroom products, we set very high standards in design, manufacture and service. We also invest heavily in product improvement and innovation to ensure complete customer satisfaction.

Attention is drawn to the policy of replacing any damaged parts with a spare part where possible. Complete exchanges will only be made if damage is extensive.

We reserve the right to amend specifications at any time if an opportunity to further improve the product occurs. All dimensions quoted are within reasonable tolerances.

R2 furniture is designed for use within domestic installations which are adequately ventilated. As with any timber product, bathroom furniture will be adversely affected if it is subjected to excessive moisture. It is strongly recommended that adequate bathroom extractor fans are installed to prevent heavy condensation and all splashes and spillages must be mopped dry as soon as possible. All exposed or cut surfaces must be sealed with a suitable varnish or silicone sealant to prevent blowing. If this is not done, all warranty claims will be void. In particular, silicone sealant must be used around basin and worktop joints and around all edges of bath panels and plinths. All electrical products should be installed by an approved electrician in line with current wiring regulations.

All roomsets have been photographed to provide an artistic impression only.

pricing

All prices quoted are inclusive of Value Added Tax at 20% but will be charged at the rate applicable on the date of despatch. We cannot be held responsible for any errors or omissions to products or prices.
