# PRODUCT INFORMATION

## AQUADART

### SHOWER ENCLOSURES

All products are manufactured in accordance with ISO 9001 and ISO 14001. All glass fully conforms to the relevant EN standards for toughened safety glass. All aluminium sections are extruded from alloys which comply with relevant EN standards. Doors and enclosures are tested in accordance with the relevant EN standards and are suitable for use with modern power showers. Profiles are adjustable to compensate for out-of-true walls, please see specific product details for levels of adjustment. Products are supplied with full installation instructions and fixings.

### GUARANTEE

Aquadart guarantees cover all manufacturing defects. This guarantee does not cover damage during fitting or misuse. The guarantee applies only to the original purchasers of the product and is not transferable.

To register your guarantee visit [www.aquadart.co.uk](http://www.aquadart.co.uk) where you will also find our terms and conditions.

### SHOWER ENCLOSURES

All shower enclosures carry a lifetime guarantee when fitted with an Aquadart shower tray. A 10 year guarantee will be given when fitted with any other manufacturer's tray. Wetroom panel guarantee applies as above. When panels are installed without a tray, a lifetime guarantee applies.

### SHOWER TRAYS

All shower trays carry a lifetime guarantee.

### ERRORS & OMISSIONS

In the interest of continuing design and development and product improvement, Aquadart reserve the right to change colour, designs and product specifications without prior notice. All colours in this brochure are as accurate as the printing process will allow.

### MEASUREMENTS

All dimensions are in millimetres & are nominal, they are provided as guidance only. Please note: measurements are not suitable as template for mosaic tiles/bespoke wetroom floors.

### CLEANING INSTRUCTIONS

It is important to clean your Aquadart shower enclosure after every use. Please wipe down all the glass and metal parts with a clean soft cloth. Ensure that all residual water on the glass is removed after every use.

### CLEAN AND CLEAR™

Clean and Clear™ glass can be cleaned with any suitable non-abrasive glass cleaner - with PH value of between 3-11; the coating will not be damaged. Avoid surfactants and heavily perfumed products. Vinegar and water based products are very effective. Do not use abrasive scrubbing cleaners or equipment for cleaning. Install your enclosure in a well ventilated area.

### USAGE

For reliable, watertight performance from your Aquadart enclosure your shower head should not be positioned so that the shower sprays directly onto the enclosure door. Failure to comply with this may cause the shower to leak.

Outward opening doors may cause water to drip onto the floor, please ensure that the floor covering immediately outside the enclosures will not be affected by water.

## ELATION

### GUARANTEE

All our furniture ranges are covered by a 5 year guarantee and our LED illuminated mirrors, cabinets and bath panels are covered by a 2 year guarantee from the date of purchase. Toilet seats are covered by a 12 month guarantee. This guarantee does not cover damage during fitting or misuse. Products must be installed and cared for as detailed in the fitting instructions. The guarantee applies only to the original purchasers of the products and is not transferable. The guarantee is limited to domestic users only, items should not be exposed to extreme heat, moisture or poorly ventilated areas.

### DEVELOPMENT

In the interest of continuing design and development and product improvement, Cavalier reserve the right to change colour, designs and product specifications without prior notice. All colours in this brochure are as accurate as the printing process will allow.

### USAGE

It is important that your furniture is installed in a well ventilated room fitted with a suitable extractor fan. Please make sure that the furniture is dry after use, as with all furniture it will deteriorate over time through excessive water spillage. We do not recommend the use of chemical cleaning products or abrasives on our furniture or basins.

### MEASUREMENTS

All measurements are in millimetres and are nominal, they are provided as guidance only as all products are subject to manufacturing tolerances.

### ELECTRICAL

IMPORTANT: All electrical installation work must be carried out by an approved qualified electrician. Under no circumstances should any electrical work be carried out by unqualified persons.

All electrical components are suitable for outside of Zones 1 & 2 bathroom use only.

After a period of time the light will become hot, do not touch the light until it has been turned off and allowed to cool.

### LED ILLUMINATED MIRRORS

Our LED Illuminated Mirrors are IP44 rated, all installations must comply with the guidelines in the zonal concept. Please refer to the online documents at [elationbathrooms.co.uk](http://elationbathrooms.co.uk)

All component and manufacturing instructions supplied with the electrical products must be followed at all times and the product installed within the correct Zone as required by electrical regulations. All electrical products and components supplied must be protected by a 30MA-RCBO (RCD) breaker.

All electrical products are certified to the appropriate BS-EN standards.

## TREMERCATI

### GUARANTEE

All our products are covered by a 10 year guarantee (subject to the exclusions below) for any defects in manufacture or the chrome plated finish. This guarantee extends to the original purchaser of our products only - it is non-transferrable.

Our original sales invoice must be provided as proof of purchase when relying on this guarantee. The start date of this guarantee is the date on our original sales invoice for the product.

Any product that falls under the above guarantee and are not subject to one or more of the exclusions below will be replaced by us in the event of any defect. This guarantee does not extend to any consequential loss, damage or charges incurred. If an item is replaced under this guarantee, the guarantee period remains the date of our original sales invoice for the item, not the replacement.

### EXCLUSIONS:

#### FINISHES

Any finish on products other than chrome plated, including:

- gold plated;
- bespoke finishes; and
- black finished products

are covered by our 1 year guarantee only (beginning on the date contained on our sales invoice for the product).

#### MOVING PARTS

Moving and serviceable parts on the products including, but not limited to, valves, cassettes, ceramic disc valves, thermostatic cartridges, diverters, wastes, o-rings, seals, hoses, handsets, headwork, levers, indices, back plates and shower kits are covered by our 3 year guarantee.

#### BOILING WATER TAPS

This product comes with a 2 year guarantee, for full details of our guarantee please refer to our website. The guarantee is only valid to customers who complete and submit the online Guarantee Registration Form within 30 days of installation.

#### MAINTENANCE

Products should only be cleaned using warm water and a soft cloth. Our guarantee is void if household cleaners or abrasives are used on any product or if the products are not adequately maintained in accordance with our instructions. Furthermore, our guarantee does not cover accidental damage or damage as a result of foreign objects or substances such as rust or lime scale. The system must be flushed through prior to installation.

#### INSPECTION

Any products purchased must be checked on delivery or collection and any issues with damaged or missing products must be reported to us within 48 hours of inspection. If our products are damaged, they should not be installed. We will not consider any replacement requests for damaged products that have already been installed.

#### TECHNICAL SUPPORT

If for any reason you require advice or technical information on installation, please email [technical@tremercati.co.uk](mailto:technical@tremercati.co.uk).

#### CONTINUOUS IMPROVEMENT

In line with our policy for continuous improvement, we reserve the right to alter or amend any product specification and prices without prior notice.

Colours are as accurate as the printing process will allow. Where products are stated as 'chrome' or 'gold', this refers to the finish colour and not material.

## NIAGARA
